Celebrating the Arts Across Chatham-Kent

This season, we are excited to welcome audiences back for another year at the Capitol Theatre while also reintroducing a dedicated season at the Kiwanis Theatre — bringing even more opportunities to experience live entertainment in Chatham-Kent.

The Capitol Theatre stands as a testament to preservation and possibility as it continues to welcome larger productions and headline performances. The Kiwanis Theatre reflects decades of community connection and artistic expression. Reintroducing a dedicated programming season for the Kiwanis is more than just adding performances to a calendar; it is reconnecting with a legacy that helped shape our local arts community since its inception in 1963.

To our patrons, thank you for choosing to invest in the arts in Chatham-Kent. Every ticket purchased is more than admission to a performance; it is an investment in creativity, local experiences, and the future of arts and culture in our community. Choosing to spend your entertainment dollars locally has an impact far beyond our theatre walls, and for that, we are deeply grateful.

On behalf of the Municipality of Chatham-Kent, thank you for your continued support and belief in the importance of the arts. We look forward to welcoming you for another memorable season at CK Theatres.

Devon Hansen
Theatre Manager, CKTheatres
